*The historical development of the posture-verb progressive construction* (LOT 638)

The full version of the dissertation *The historical development of the posture-verb progressive construction including a comparison with German* (LOT 638) by Ami Okabe contains additional data. The additional data that are referred to in the dissertation are collected in an online dataset that can be consulted via the following DOI: <https://doi.org/10.34894/BOIQBU>.

The additional data are made available in DataverseNL, which is a publicly accessible data repository platform supported by DANS (the national expertise centre for research data—an institute of KNAW and NWO).
